

Biogen and Spin-off Bioverativ will Present at the Goldman Sachs Healthcare CEOs Unscripted Conference

December 21, 2016

CAMBRIDGE, Mass.--([BUSINESS WIRE](#))--[Biogen Inc.](#) (NASDAQ: BIIB) announced today that it will present at the Goldman Sachs Healthcare CEOs Unscripted Conference. The webcast will be live on Thursday, January 5, 2017 at 4:00p.m. ET. Additionally, Bioverativ, the planned spin-off of Biogen's hemophilia business, will present as well. That webcast will be live on Thursday, January 5, 2017 at 3:15p.m. ET.

To access the live webcasts, please visit Biogen's Investors section at www.biogen.com/investors. An archived version of the webcast will be available for 14 days following the presentation.

The planned spin-off of Bioverativ is expected to be completed on February 1, 2017. Following the spin-off, Bioverativ will be an independent, publicly-held global biotechnology company dedicated to advancing the research, development and commercialization of innovative therapies to address areas of serious unmet need for people with hemophilia and other rare blood disorders.

About Biogen

Through cutting-edge science and medicine, Biogen discovers, develops and delivers worldwide innovative therapies for people living with serious neurological, autoimmune and rare diseases. Founded in 1978, Biogen is one of the world's oldest independent biotechnology companies and patients worldwide benefit from its leading multiple sclerosis and innovative hemophilia therapies.
